1978 "Mirror" Dedication

Mr. George E. P. Husson Jr. was educated at Lynn English High School, Salem State College, (where he received his B.S. in Business Administration) and the University of Maine at Orono (where he received his Master's Degree). For five years, he served in the military and was an Army Captain during World War II. He then taught in Billerica, North Andover, and Belmont; and in 1952, he came to Waltham High. Mr. Husson became head of the Business Department in 1961. He was working at the White House on Bacon Street when he was appointed Principal of Waltham High in 1967. He is married and has one daughter. In 1970, the Jewish War Veterans voted him their "Man of the Year;" and in 1978, we proudly dedicate the "Mirror" to him, our principal.

Memorial Dedication

In Memory of Our Friend Greg Aborn

God took you from this earth
Without explaining why.
There must have been a reason
Why he chose **you** to die.

You were such a young man
With a whole life to live.
You never did take much
Yet you had **so** much to give.

You'll always be remembered
By that twinkle in your eye,
That silly smirk, your sense of humor
It's hard to say good-bye.

Those of us who knew you well
Are hurting deep inside,
For we've lost such a dear friend
Whom we'll remember with pride.

We love you, oh, **so** dearly
And know you love us, too.
You'll always be remembered
And our happy days are few.

Fondest Memories of Our Friend Ricky Poirier

"To have known him was to have loved him,"
He made you feel next of kin.
His days of life were full of love,
With the light of his love like the flight of a dove.
He fought hard to win his battle,
Ready and willing with bull and saddle.
Why so young and eager at heart,
As he pushed and pushed that hefty cart.
Harder and harder were we to pray,
Hoping our voices were heard each day.
Our voices were heard hour after hour,
When Ricky was taken and given special power
His friendship remains within our minds,
For he was much more than kind,
Memories we share are stronger than force,
That we some day will also follow his course.
As different each course can and will be,
We share and cherish each memory.

A Special Friend Diane Weeks

If only God had let us know
How little time there was
We would have made you understand
How much you meant to us.

You brought a lot of happiness
To everyone you knew.
I only hope we let you know,
How much we all loved you.

Our memories are precious ones
Secured within our hearts
Of a friendship that was dear to us
With these memories we'll never part.

Although you are not with us now
Together we'll always be
In the hearts and minds of all of us
For all eternity.

The 1978 "Mirror" Staff

For the past five years my one goal for the yearbook was to produce a book complete with theme, art work, and purpose. This past year my editors, Carol Corcoran, Mary Coyle, Joanne Mula, and Lisa Strazzullo helped me to obtain this goal.

Mary, the force behind our opening section, participated in Senior Revue, and was co-author of the Senior Notes. At Graduation Exercises, she received over \$5000 in scholarships, including one from Wellesley College which she will attend in the fall. Mary coordinated all the copy in the book and, thanks to her, our book is uniform in scope.

Lisa was a member of the Junior Prom Committee and worked in the house office during her sophomore and junior years. At Graduation Exercises Lisa received two scholarships totaling \$500. She will attend St. Elizabeth's Hospital School of Nursing in the fall.

Carol was very active in school, participating in Crimsonettes, Jazz

Ensemble, Senior Revue, and Hockey Cheerleading. She was Class Treasurer for two years and a member of the National Honor Society. At Graduation Exercises, Carol received over \$3000 in scholarships, including one from Boston College which she will attend in the fall. Carol is the fourth member of her family to be on the yearbook staff, third as co-editor. Carol, her two sisters and brother are a credit to their mother and Waltham High and I will always be grateful for my association with such a fine family.

Joanne, our editor in chief, participated for the past two years as a soccer and basketball cheerleader and during her junior year she was chairperson of the Prom Committee. At Class Day Exercises, Joanne was awarded "Did Most For The Class." She will attend Framingham State in the fall.

James G. McDonnell — Advisor

Activity Editors — Anne Cronin, Kathy Noone, and Dorrie Powers

Anne participated in Senior Revue, the Marching Band as well as the orchestra. At Graduation Exercises, Anne received the Waltham Graduate Nurses Association Scholarship and she will attend Boston College in the fall.

Kathy participated in Senior Revue, and enjoyed a week of Bermuda sunshine in April. Kathy was always willing to help on any project, no matter how small, and because of workers like her the book is a success. Kathy will attend Mass Bay in the fall.

Dorrie, our Golden Girl, was the star performer at half-time of the football games as a member of the Majorettes. Dorrie constantly gave of her time to do many undesirable tasks that had to be done. I will miss her dedication and friendly smile and I wish her the best of luck at Framingham State in the fall.

James G. McDonnell — Advisor

Jackie was a starter on our champion volleyball team, captain of the basketball team, and a member of our state tournament softball team. Jackie also found time to be a member of the National Honor Society. At Graduation Exercises, Jackie received a Four Year Full Scholarship to Bentley College, which she will attend in the fall.

Kathy was a member of the National Honor Society and a speaker at Class Day. At Graduation Exercises, Kathy received a School Committee Key for excellence in academics and the Rotary Club of Waltham Scholarship. Kathy will attend Boston University in the fall.

James G. McDonnell — Advisor

Sports' Editor — Jackie Forster, Senior Editor — Kathy Mawhinney

No one man could be as dedicated to a cause as Mr. James McDonnell was to our yearbook. He offered ideas and concepts that helped make this book one of the best. Those who read and enjoy this book will never realize, as much as the staff, the hard work and long hours he has put into it. Besides his help and perseverance, Mr. McDonnell gave us the confidence and motivation to continue on. He gave us the opportunity to have something that we will always have pride and satisfaction in saying we were a part of. It was a tough year, yearbook wise, for all, but when one sees even a part of the book completed, the problems and frustrations don't seem as great. To see the perfection in this book, one knows that it couldn't have been done any other way, with any other staff, and especially with any other advisor. Thank you, Mr. McDonnell, for everything.

Carol Corcoran — Co-Editor

Advisor — Mr. James G. McDonnell

To the Class of 1978

The task of assembling a yearbook is a demanding yet pleasant one; a frustrating yet rewarding job. Often the process encompasses a multitude of experiences which ultimately provide the foundations of fond memories. Such memories I recall when I remember the day one of the seniors took his time and patience to help an old man ski from Zermatt to Cervinia. I remember our "prayer session" in the auditorium that day in March. I remember the puppet show in Room 275 of the Inverurie Hotel and the Strollers Party Time Cruise. Most important I am forever grateful to the many students who went out of their way to be nice to my son in Bermuda.

Next year and in future years, when the going gets tough, I'll just think back to Class Day of 1978 and the beautiful memories engendered by my contact with this exceptional class and I'll get my encouragement to continue my work. As the song says "If you leave me now you take away the very heart of me," I also add, I have memories of "The Way We Were."

Bob was a member of our Suburban League Champion football team. At Graduation Exercises, Bob received the James Falzone Memorial Scholarship and he will attend Boston College in the fall.

Stephen participated in Senior Revue, and Class Day. He was Master of Ceremonies at Graduation, and was a member of the National Honor Society. With his outstanding contributions of art he has made this edition of the "Mirror" a book of which the Class of 1978 can be proud. I will always be thankful for his dedication and enthusiasm. He has enlisted in the Air Force where he will begin a career in law enforcement.

Dave was also very active in school participating in soccer, basketball, Class Day and drama productions. He was Chairman of Senior Breakfast and President of the National Honor Society. At Graduation Exercises, Dave received a University of Notre Dame Scholarship, where he will attend in the fall.

Ed was very active in school participating in track, drama productions, Class Day, and was a member of the National Honor Society. At Graduation Exercises, Ed received two scholarships and will attend Notre Dame University in the fall.

Sports' Editor — Bob Lupinski, Design Editor — Stephen Taranto, History Editor — Dave Doneski, Ass't History Editor — Ed McCarthy

Sports' Editor — Mary Caban, Sales Editor — AnnMarie Lockwood, Ad Editor — Maria Abbondanzio

Cabe, our resident track star, participated in Senior Revue and helped coordinate our sports' section. Cabe will attend my alma mater, Mass College of Pharmacy, in the fall.

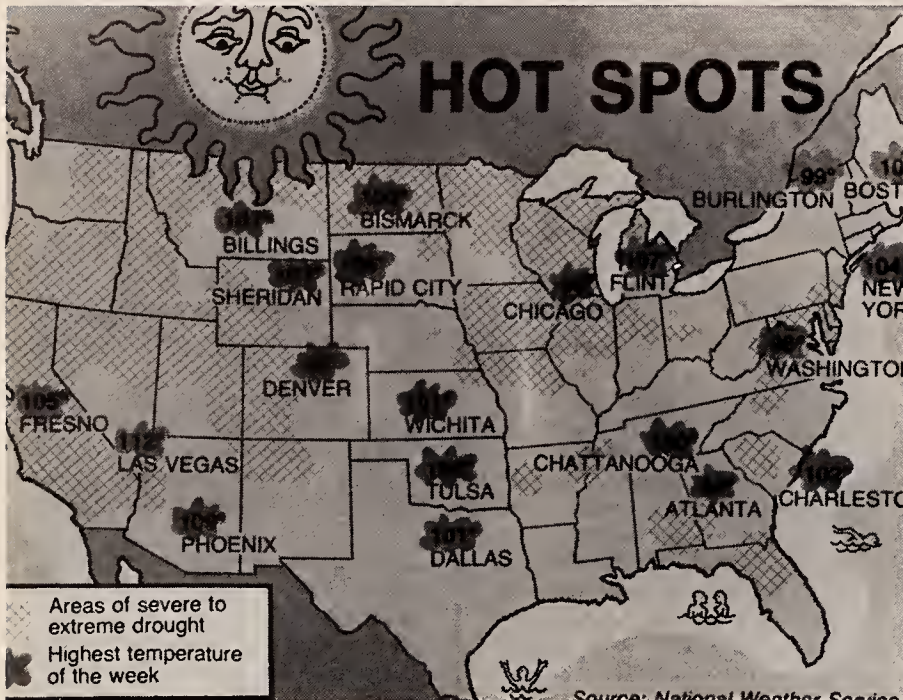

Ann Marie participated in Senior Revue and was a member of the National Honor Society. At Graduation Exercises, Ann Marie received the Clara Abbott Fund Scholarship and she will attend Florida State University in the fall.

Maria was a member of the Crimsonettes, National Honor Society, participated in Senior Revue, and was Mistress of Ceremonies at Class Day. Her hard work and dedication helped us to collect over \$22,000 to pay for the yearbook. Maria will attend Boston College in the fall. Her fine work and dedication was appreciated by me and I will always remember her.

Alaska's Line

The Alaska Pipeline, a 4,800-mile-long conduit for oil, is being laid through the state's rugged terrain. The pipeline is being laid in sections, with the first section being laid from Prudhoe Bay to Valdez. The pipeline is being laid through a series of trestles and supports, and is being laid through a series of hills and valleys. The pipeline is being laid through a series of hills and valleys, and is being laid through a series of hills and valleys.

It will be a slow, carefully monitored journey. First, 6 million cu ft of nitrogen will be blown through the pipeline to purge air from the system, reducing the threat of oil vapor explosions. Next, a cylindrical plug called a pig will be shoved into the line. Finally, after a

Class Poem

Our minds lay open as the orchards
waiting to be impregnated with seeds,
the seeds of knowledge and achievement

With diligence, discipline and loyalty
our keeper nourishes our thirsty seeds

Careful to free us from stifling weeds,
'til we emerge a small seedling.

With each day we mature
extending our tender branches.

Grasping at the vast universe
wanting to embrace it all.

And just as a tree
growing, striving to bear fruit.

We grow, developing our minds,
bearing the fruit of knowledge and achievement.

Honoring our will, discipline and yearning to discover,
someday to teach, and sow our own seeds.

The Waltham High football team had a highly successful season. The boys copped the Suburban League crown for the first time since 1974, and finished fourth in the tough Division One. The final record was 8-2.

The opening game and first defeat was at Norwood with a score of 9-8. Norwood was the eventual Super Bowl Champion. The first victory came at Somerville, where Bob Sergi led the Hawks to a 6-0 victory. The next week Frank Shea cleared away the Quincy line while John Nocera raced for 235 yards in a 40-6 Hawks' victory.

On Thanksgiving Day, Jim Sweeney kept the Hawks alive as they opposed the gigantic Brockton team. The Hawks downed the Boxers 13-6, giving the team a 6-0 record in the league, and thus the championship.

CROSS COUNTRY

Waltham's 1977 Boys' Cross Country team was marked by outstanding performances. All Suburban Senior Captain Jon Adams finished fifth in the State Meet and holds Waltham's new course record of 12:34. Other Varsity Seniors deserving of praise include; Don Gibbs, Greg Demeo, Brian Regan, Jon Olney, Nick DiCiaccio, Fred Bryson, and Peter Connolly. The boys finished the season with a 4-3-1 record.

The Girls' team had a better season than the record shows. On the roster were only two seniors from last years' undefeated team. Injuries plagued the girls and claimed the services of two premier runners at critical points of the season, yet the young teams' progress was swift and laudable. Personal goals were met. The final record was 1-7-0 and their optimistic position was due to the efforts of Co-Captains Sandy Aldred and Margie Faulstich.

GIRLS' SWIMMING

Seniors, Bernice Doucet, Beth O'Hara, and Janet Doherty led the girls' swim team through an exciting season in 1977. The girls wrapped up the year with an impressive 8-2 record.

Co-Captain Janet Doherty gave us one exceptional performance after another. She continually set new records by breaking those which she herself set. Sophomore Lori McDonald went undefeated in the Breaststroke.

At the Suburban League Championships, the team placed fourth, missing third place by a mere point. The girls also excelled at the Eastern Division Championships, and went on to the State Meet. At the State's, they took thirteenth in the Diving and sixteenth in the Breaststroke Competitions.

Each of the eight victories was won by great personal strength and allied team effort, combining to make 1977 the best girls' swimming season ever.

First Row: June Mouradjian, Beth O'Hara, Marybeth Mullen, Bernice Doucet, Janet Doherty, Peg Rooney, Cindy Awiscus. **Second Row:** Carol Fronduto, Sue Hassett, Mariclare Foster, Marie Kerr, Barbara Hurley, Denise Boudreau, Posey Quinn, Anne Cadigan, Gabrielle Fitzgerald.

The best record in the history of Waltham High School was compiled by this year's Volleyball team. The girls finished the regular season with a 15-0 record. They won the Suburban League with a 12-0 record, qualifying them for the State Tournament.

In the North Sectionals, the team easily defeated every opponent it faced, bringing the record up to 18-0. This assured the team of its second consecutive North Sectional Championship.

In the finals of the State Tournament, the top seeded Waltham girls chose to forfeit the state crown to Amherst. But this did not discourage the girls, as they went on to defeat Brockton for the third time in the season.

The team's final record was 22-1; and our girls can be proud of their outstanding season.

FIRST TEAM ALL SCHOLASTIC

The Waltham High Soccer team finished the regular season with a 9-4-3 record, this gave the boys a third place finish in the Suburban League and entrance to the E-Mass. Tournament.

The team's pre-season outlook was one of great expectations, but it was not until the last ten games that the hopes were realized. Going into the tournament, the Hawks won eight out of their last ten games; the Hawks were on a hot streak!

Tri-Captains, Sal DiStefano, Scott Anderson, and Tom Faherty did their best to rally the team at the tournament. Luck was against them; they lost to Braintree on a rain-drenched field.

FIELD HOCKEY

The Varsity Field Hockey team wound up the season with a 4-4-3 record. The primarily rookie team suffered early in the season with a change of coaches; soon the team was able to adapt to the fine coaching of Nina Skavinsky.

With the help of veterans, Captain Cheryl Learned, Patty Nix, and Jane Olivo, the team put a pretty mean game together. Jane, Laurie Campana, and Annie Huff held the defense together, and special recognition goes to first year player Donna Lee. Offense consisted of Anna O'Brien, Karen McCall, Judy and Bev Chiarelli, and Cheryl Learned. The offense had a minor problem — getting the ball into the net! However, beating such opponents as Cambridge and Brookline required a full team effort, of which the girls may be proud. Overall, the team found the 1977 season to be one of individual growth as well as one of group harmony.

First Row: Annie Huff, Donna Lee, Jane Olivo, Cheryl Learned, Patty Nix, Bev Chiarelli, Donna Kass.

Second Row: Coach Nina Skavinsky, Judy Chiarelli, Laurie Campana, Karen McCall, Kathy Beck, Shelia McGillicuddy, Anna O'Brien, Justine Joyce, Stephanie Manoli.

The Waltham High Hockey sextet had a successful season compiling a final record of 9-6-3 and finishing fifth in the Suburban League. The team showed improvement throughout the season.

Under third year coach Peter Yetten the boys missed post-season play in the State Tournament by two games. Each was lost by a single goal. The team, captained by Tom Dowdy, played solid, sound hockey; they beat Peabody 3-1 and finished the season by defeating Quincy 6-3.

All of the players contributed to the team's success. They were paced by Juniors Ray St. Cyr and Paul Provencher who led the team in scoring 1 and 2 respectively.

GIRLS' TRACK

The Girls' Track Indoor Season was frequented with fine individual performances, which the disappointing 1-6 record did not mirror. Three school records were shattered and two girls placed well in the State Meet. Senior Lynne Dunbrack placed third in the hurdles and two year veteran Ellen Katzi set a new shot-put record of 29'5". Sophomore Laura Bowers set a new high jump record of 5'0".

The team's strength began with the efforts of cpt. Terri McCarthy, who was forced onto the sidelines mid-way in the season. Seniors Sandy Aldred and Margie Faulstich carried the young team through the season with their undaunted determination, setting strong examples for the underclassmen.

GIRLS' BASKETBALL

Under the first year coaching of Tessi Mayer, the girls' varsity basketball season was highlighted by several come from behind wins. The girls beat Brockton, Weymouth South, and Suburban League Champs, Weymouth North. Most Valuable Player, Jackie Forster and unsung hero, Judy Delaney helped the team to squeeze out a 9-8 record in the last week of play.

Seniors, MaryAnne McNamara, Jane Olivo, Sue Kiejzo, and Cindy Kiley helped out in many fourth quarter comebacks. Although six seniors are leaving, Waltham may expect a strong Girls' Basketball team for the 1978-1979 season.

The team will lose six good shooters from our senior class, but next year's captain Peter Brennan, has his mark set on a championship team in the 1978-1979 season.

Despite a disappointing 1-8-1 record, this year's Waltham Swim Team showed many fine performances. Six of their nine meets were lost by only one event. In the State, and New England High School meets, the Hawks beat all but one of their rivals.

Paced by Captain Charlie O'Brien, the team set four new high school records. Charlie finished third in the 100 yards breaststroke competition at the New England Championship meet, and was voted most valuable player.

Other Seniors included Tom Carroll and Richie Breault, two strong divers who also competed in the backstroke and freestyle. Ken Meliones' event was the backstroke and Brian MacDonald competed in the butterfly stroke. Next year's Co-captains are John Duffy and John Trites.

BOYS' BASKETBALL

The 1977-78 Waltham High School Basketball Team finished the regular season with a 14-5 record, which qualified them for the Eastern-Mass. tournament. Although the team ranked ninth in the state in the pre-season polls, the Hawks proved that they were worthy contenders with a nine game winning streak. By mid-season they ranked third in the state. The end of the season brought a third place finish in the Suburban League. The Hawks also made a dynamic showing in the state tournament. There they defeated Framingham North and Peabody, the winners of the Greater Boston League and last year's North sectional winners, and lost to Salem by a heart-breaking score of 40-39.

Deserving of much credit is our all-around girl, Sophomore Maureen Finnell. Maureen had an excellent season. She will be back to pull the team together next year. The tri-captains, Bob Carberry, Paul Carney, and Dave Pidgeon, all placed third in the Central Mass. Championship. Carberry, the team's M.V.P., placed fourth in the Division I State Tour. Pidgeon was on the All-Suburban League second team.

Other starting players included Roger Wong, Bob Pratt, and Scott Baker, who placed fourth in the Central Mass. Tour. and was on the All-Suburban second team. The heavy-weights included Paul Brady, John Caneeney, and Chuck Smerlas, a member of the All-Suburban first team.

BOYS' TRACK

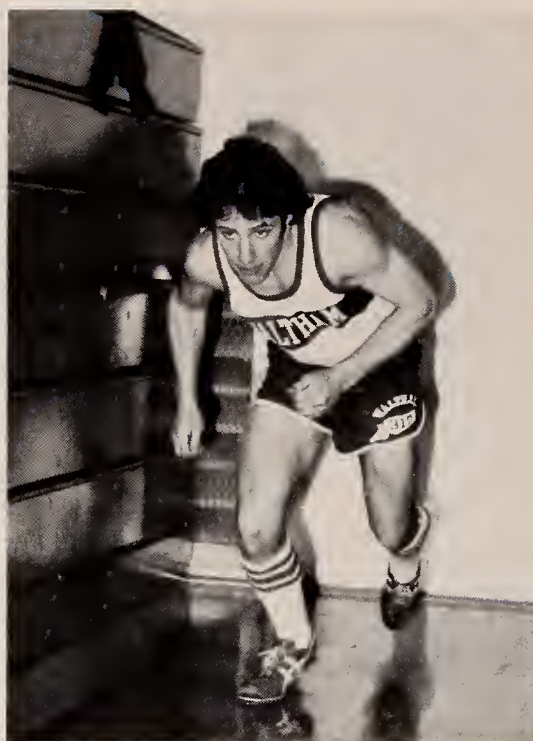

The Boys' Indoor Track team suffered despite its wealth of talent. Captain Tom Harte was often an inspiration, ending up his season in the 40 yard dash with an impressive time of 5.8 seconds. Jon Adams, senior two miler, placed third in the State Meet. He also broke the school's indoor two mile record at the Harvard track giving us a personal best of 9:35.

For most of the seniors this year marked their final indoor season. Seniors on this year's squad include: Fred Bryson, Peter Connolly, Greg Demeo, Randy Demeo, Ed McCarthy, Jon Olney, Brian Regan, Bob Shaw, and Jim Simeone.

SKIING

Seniors, John Battaglino, Bob Gillen, Frank Shea, Janet Doherty, and June Mouradjian, led Waltham High's skiers through an unbeaten season. The team turned in a record of 12 wins and no losses.

The blizzard of '78 forced the team to postpone two races; but our skiers were not discouraged, and they came back to win two races against Arch-Rival, Newton South.

The team participated in the Annual Eastern Mass. Invitational Race at Bradford Hill. Here, the underclassmen showed us what to expect next year, by carrying the team to a respectable third place.

GOLF

This year our golf team had its most successful season in recent history finishing with a 6-3 record and making the Suburban League play-off for the first time. Led by our sophomore MVP, William O'Kane, we took the measure of Weymouth No., Cambridge, No. Quincy, Quincy, Brookline, and Belmont. This year we had a first at Waltham High; a girl, Kathy Mula participated on a regular basis. Our tri-captains this year were John Molinari, Jim Harris, and John Sullivan. The Lazaro Trophy, given annually to the Most Improved Golfer, was won by junior Jim Morgan.

With an outstanding nucleus of veterans returning we expect a great record next fall.

— BERMUDA IS ANOTHER WORLD —

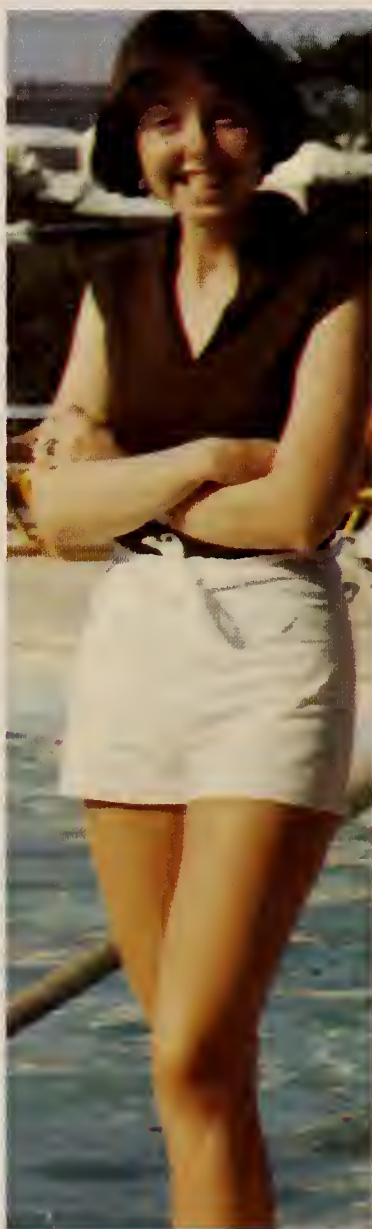

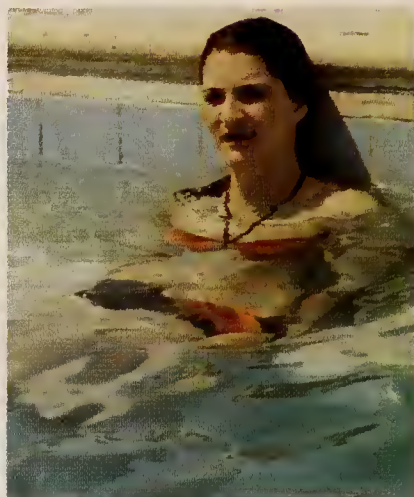

Bermuda is another world
Several hundred miles at sea
And the way the people greet you
Is like a friendly melody
To touch a cloud in the morning
To listen to a honeybee
To hear a bird who sings a song
Just to say that he is free

Bermuda is another world
Turn around I'll tell you why
Just to watch the morning sunrise
From the sea up to the sky
To look across on a harbor
And see a multicolored sail
It's fun to ski on the water
That always leaves a snowy trail.

Bermuda is another world
Turn around and you'll be gone
But there will always be those memories
That will linger on and on
And some day I'll hear you say
Just as I've said today
Bermuda is another world

BOYS' TENNIS

The 1978 tennis season was a rebuilding experience. The team consisted of seven first year varsity players and four returning lettermen. Regardless of a losing record, the efforts generated by each member proved to be a winning season for all. We wish the best of luck to seniors, Steve Barnard and Bob Shaw. Special thanks must be given to the dedication of our coaches, Mr. Rick Walsh and Mr. Gene Boeglin, and our many supporters.

Due to a new coach and the addition of sophomore players, the team had a challenging season.

LACROSSE

Lacrosse made its debut as a varsity sport at Waltham High this year, compiling an 11-5 record. Thanks to the efforts of former club members, John Battaglino, Wayne Grumney, Mike Mahoney, John Mason, John Craig, Barry Sullivan, Lew Sabbag, Charlie O'Brien, and Jim Sweeney, Lacrosse received the School Committee's endorsement last year. From the bone chilling snow and ice of March to the sweltering eighty degree heat of May, the Hawk stickmen religiously practiced their scooping, shooting, and checking. Their hard work paid off in victories over eleven of their opponents, including play-off contender, Brookline. Teams with far more experienced players, like Medford and Burlington, gave way to the Hawks' enthusiastic and hard-checking game. The graduating seniors will be missed next season, particularly the mid-fielders, but with twelve returning lettermen the prospects for next year are good.

SOFTBALL

For the first time in the history of Waltham Softball, the girls' team won the Suburban League Championship with a 14-2 record. This was an outstanding hitting team with five of the girls batting over 400. On the field the team had a well balanced defense always playing as a team with each player giving 100%. Their outstanding pitcher, Maryanne McNamara led the team to their victories with an over-all record of 18-3. Maryanne was selected as pitcher of the All Suburban League 1st team. Four other Hawks were selected for the 2nd team, Yvette Daigle, Judy Delaney, Jane Olivo, and Fran Smerlas.

This team's hard work and dedication qualified them for the State Tournament. They went into the Tournament with an 18-2 record and were seeded 3rd in the North Sectionals. Although they were ousted from the Tournament early, losing their first game to Beverly, this team is still considered to be one of the finest to play for Waltham High.

TRACK

The spring track team, despite its 2-6 record, ran very well against their tough Suburban league opponents. Several of the meets were close, with the final relay race being the deciding factor of the meet.

The team had several strong individual performers and captured five places in the ALL League Meet. Barry McPherson was undefeated in the Intermediate Hurdles and led the team in total points for the second consecutive year.

Next year the team is looking forward to a fine season with a strong group of underclassmen returning.

The girls team had a very disappointing 0-7 season, but with many veterans the outlook for next year is very bright.

BASEBALL

This year our baseball team tied Newton No. and Weymouth No. for the Suburban League Championship with a thrilling come from behind 5-4 victory over No. Quincy in the last game of the season. This qualified them for the state tournament in which they lost the opening round 5-0 to Norwood.

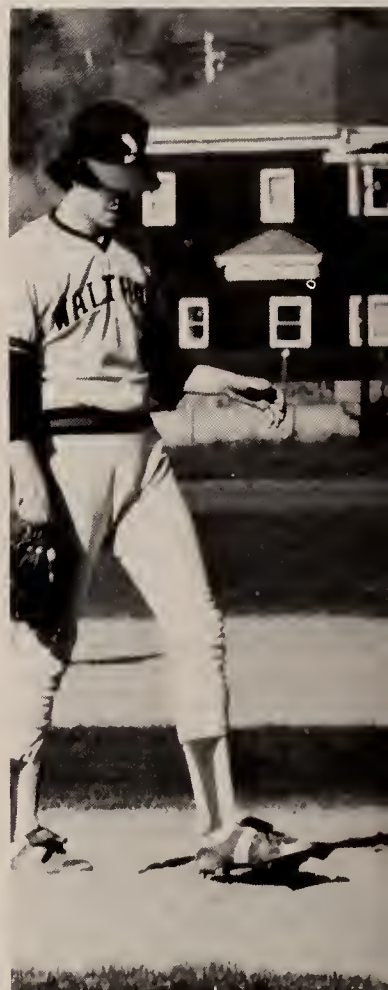

Jeff Nocera was our leading hitter with a .367 average, and also led the team with 17 RBI's. He was given the Schoener Golden Glove Award for his outstanding defensive ability. Tom Faherty was the workhorse of our pitching staff and finished the season with a 6-4 record. His brother Sean, a Sophomore, finished the season with a perfect 4-0 record. Jeff Nocera and Tom Faherty were elected All Suburban first team by the coaches in the league. With 11 returning lettermen, the outlook for next year is very bright.

. . . Teacher Recognition . . . Teacher Recognition

Miss Rosemary Geary is a graduate of St. Brendan's High School in Brooklyn, N.Y. She received her Bachelor of Arts in English from Emmanuel College and her Master's degree in English from Boston College. She was also a Resident Assistant at Emmanuel College while she was attending Boston College for her Master's. She attended a summer school program at Trinity College in Dublin and has taken courses at Boston State College, Massachusetts College of Pharmacy, Lesley College. Many of Miss Geary's students enjoyed not only her unique approach to English, but also the Friday test feasts. One left her class with both a full mind and a full stomach. We hope she gained as much from us as we did from her.

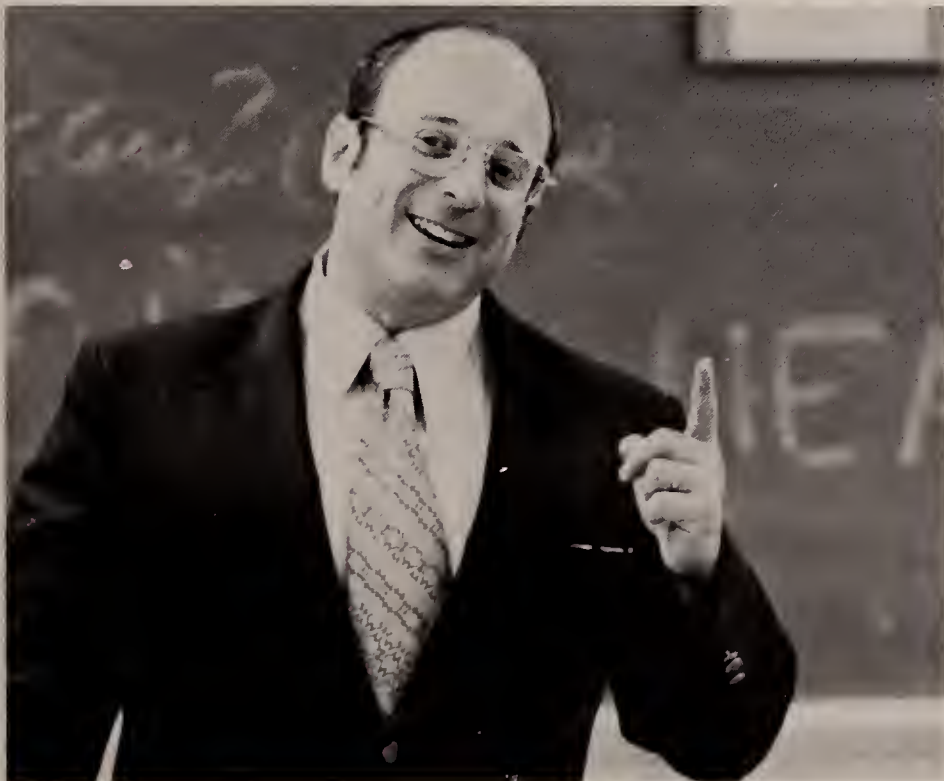

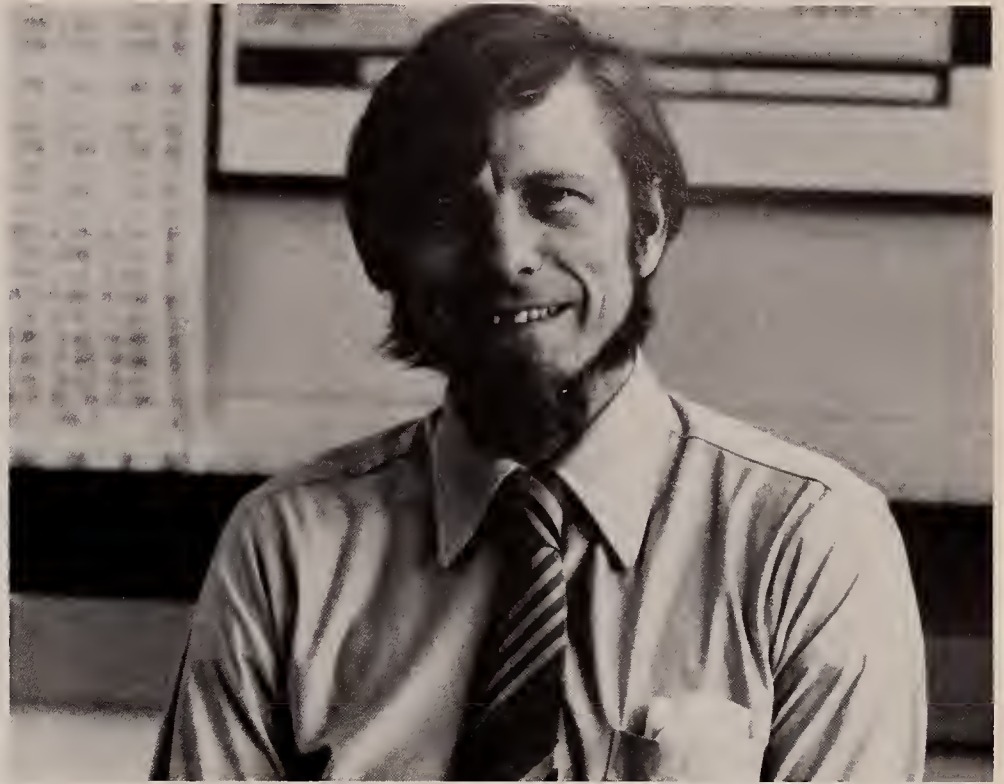

Mr. Thomas Leverone has been a mathematics teacher at Waltham High for ten years. He is a graduate of Arlington High School and Boston College where he received both his Bachelor of Science and Master's degree in Mathematics. He has a wife, Pat, and two children, Brian and Debbie. This year, because of a serious back problem, he was unable to continue in many activities, yet he still was involved with students. He is always willing to help a student in any way possible. He is a very open-hearted and giving man who recognizes the emotions and opinions of the student. For the humorous and serious moments, as well as the academic training, and for his dedication to school activities, we honor him.

Mr. James McDonnell graduated from Waltham High and Mass. College of Pharmacy. He also attended Framingham and Boston State College. In all of his undertakings he aims for the best. In five years he has made the Waltham High School "Mirror" one of the largest and most professional high school publications in the east. In addition to his work with the yearbook staff, Mr. McDonnell arranges student trips to Bermuda, Europe, and Montreal. He is an excellent Math teacher, always willing to help students. He is married and the father of two children, Shawn and Kerry. His pride and desire for perfection are evident in everything he does. The Class of 1978 is proud to honor Mr. McDonnell for his continued dedication.

. . . Teacher Recognition . . . Teacher Recognition

Mr. Jerry Nelson has taught Physics at Waltham High for 10 years. He graduated from Newton High and received both his bachelor and Master of Science degrees in science from Boston State College. There he met his wife, Cindy. The Nelson's have two children, Matthew and Dawn. With Mr. Nelson, Physics can be fun. One year he demonstrated the basic concepts of electricity by bugging Dr. Ayme's office. And every year he orders a nuclear reactor. Even the most anti-science student leaves Mr. Nelson's class with knowledge of and appreciation for Physics. He has given us many hours of his time and much of his energy. With this award, we honor him.

After graduating from Waltham High School, Mr. Ira Steinberg worked in local industry and then served in the U.S. Army before entering Brandeis University. After graduation from college, Mr. Steinberg returned to Waltham High as an English teacher and later earned his Master's degree in Education degree from Northeastern University. He and his wife, Jean, a former Waltham High English teacher, constituted one of the earliest intramural couples to teach at WHS. They are now the proud parents of two children, Nancy and Daniel. Anyone who has passed by Room 117 is familiar with Mr. Steinberg's infamous bells. But his students will remember him always for his unusual approach to teaching. The Class of '78 commends his outstanding efforts.

Mr. Harold Walker is a graduate of Newton South High School and the University of Massachusetts Amherst. He received his Master's degree in Education from Boston University. He has been teaching at Waltham High for ten years in the subjects of Sociology and History. He is an excellent teacher, a proud father, and an amazing man. He is always aware of the needs of the students. Because of his personal approach to history, we gained more than the knowledge of dates. We were acquainted with prominent people in history and their causes. In addition to the serious content of history, we learned about erratic weather patterns and many ways to hide when one is asked a math problem. We thank this unique teacher with gratitude and recognize his involvement with the class.

MEN—WOMEN

You can go a long way in a few short years.

When you sign up for the Army today, you can also sign up for Europe. It may not be the easiest way to see the world, but it could be the most rewarding.

You'll be there to do a job. You'll soldier. Bivouac in the mud of Grafenwoehr's rainy season, squint into an early August sun in the valley of the Rhine, and fight the chilly January winds of Hohenfels.

And just about the time you wish you had never left the States, you'll be celebrating the Oktoberfest in Munich, eating bratwurst in Frankfurt, or learning the slopes of Garmisch. And all the tough work will have been worth it.
